## COLBY IS NAMED LANSING'S SUCCESSOR

### BULL MOOSER AND FRIEND OF "MARK TWAIN" IS GIVEN CABINET PLACE

Appointment Came As Great Surprise to Official Washington.  
**COLBY ACCEPTS AND MAKES FORMAL CALL**  
New Official Was Active in Seating Roosevelt Delegates at Chicago.

(International News Service.)  
WASHINGTON, Feb. 25.—President Wilson has selected Bainbridge Colby, of New York, to succeed Robert Lansing as secretary of state, it was officially announced today at the white house.  
Colby has accepted the post and his name will be submitted to the senate.  
Colby is from New York and has prominently been identified with state and national politics. He was a leader of the progressive party and has been director of the emergency fleet corporation. He is a lawyer by profession.  
The appointment of Mr. Colby was a complete surprise to official Washington, as it has been expected that Secretary Baker or acting secretary of state Polk would get the portfolio.  
Mr. Colby's appointment is supposed to be of the nature of a compromise.  
Mr. Colby called at the white house today and personally announced his acceptance of the portfolio. The new secretary of state was a personal friend of Mark Twain and has been identified with a number of big legal cases. In 1912 he took the lead in the fight to seat Roosevelt delegates in the republican national convention at Chicago. He was later active in the organization of the progressive party. Colby was born at St. Louis in 1860.

### UNCLE SAM HANDS OFF; WON'T ENFORCE THE LIQUOR LAWS

(International News Service.)  
IRON RIVER, Mich., Feb. 25.—The siege of Iron county likewise the "red Michigan rum revolt," ended abruptly today. Major Dalrymple and his prohibition expeditionary force received a telegram from Daniel Roper, Commissioner of Internal Revenue at Washington in substance as follows: "Better sit down and talk it over with state's attorney McDonough." Prohibition agents here see a far reaching effect in the victory of the county authorities. From all appearances the writs of the state of Michigan have superseded those of the United States.

### COMMITTEE TALKS ON PLANS FOR MEET

The meeting of the Committee of Twelve, composed of prominent citizens of Decatur, charged with the duty of arranging for a mass meeting of men and women to organize a civic and commercial club, adjourned yesterday afternoon to meet again at the call of Chairman Dix. The preliminary plans for the meeting were discussed by several speakers and will be taken up again at the second conference of the committeemen.  
The committee is composed of: Clyde Hendrix, W. M. Bailey, John D. Wyker, J. S. Patterson, T. M. Jones, S. W. Irwin, W. E. Roper, T. M. Dix, J. A. Nelson, Jno. A. Thomason, C. T. Royer and S. A. Lynne.

**WEATHER FORECAST**  
Fair and continued cold; freezing temperatures to coast; Thursday fair and colder.

### MISS LOIS GEORGE IS KILLED; THREE OTHERS HURT IN AUTO WRECK

Miss Lois George was fatally injured and Miss Ethel Smith, Arthur Bowen and Morris B. Grissom were painfully hurt when an automobile, driven by Bowen, collided with a street car on Grant street near the intersection of Tenth Avenue last night.

Miss George was fatally injured and died at the Benevolent hospital, following an operation. Mr. Bowen was taken to the home of F. S. Hunt and is suffering from a severe jar and several painful cuts from flying glass. Miss Smith and Mr. Grissom are not seriously injured, it was stated today.  
The body of Miss George was removed to the home of her mother, on Third avenue west, this morning early and funeral arrangements are being made. She is survived by her mother, Mrs. Walter George Wade, a sister, Lucile George and a brother, Roy George.

According to information furnished at her residence this morning, the automobile was running westward on Grant street and the street car was running eastward. The car is said to have been without lights, the current having "gone off" a few moments before. It is believed the driver of the automobile attempted to turn away from the car and the machine was struck near the rear seat occupied by Miss George and Mr. Grissom. The force of the impact is believed to have hurled the girl against some blunt instrument and her skull was crushed.

Medical aid was summoned immediately, Drs. F. P. Petty and H. D. Greer answering the call. The injured girl was rushed to the Benevolent hospital where she was operated upon. She lived until about 4 o'clock this morning.

F. S. Hunt, manager of the Home Oil Mill, where Bowen was employed, was notified of the accident and took Mr. Bowen to his home in Decatur. Other occupants were given first aid. The street car was operated by E. J. McGeehan, who was slightly cut by flying glass. The windshield of the automobile was broken and it is thought it was particles of glass which almost severed Mr. Bowen's wrist.

Mr. Grissom is an employee of the Louisville and Nashville railroad company and makes his home at the Tavern. Miss Smith, it was stated, resides near Athens, but has been here some time, making her home with her aunt in East Albany and working at the Albany silk mill.

**Bowen Makes Statement**  
According to Mr. Bowen's statement today, he was driving toward town shortly after 9 o'clock, in company with Misses George and Smith and Mr. Grissom. The front seat was occupied by Bowen and Miss Smith while Miss George and Grissom were on the rear seat.

Bowen declared the street car which struck his machine was coming down the Grant street hill and apparently struck his automobile near the front fender, hurling it around so that Miss George was either hit by the car or thrown against the side of the machine.

"I was not speeding," Mr. Bowen said, "and was not running on the car track. My machine was just to one side. The street car was coming down the hill, without lights."

Bowen was struck on the left arm by some object and the elbow painfully hurt. His wrist also was badly cut. He expressed his regret for the affair and appeared to be heartbroken over the tragedy.

Officials of the street car company declared the current was "on" when the accident occurred. They pointed to marks on the car which struck Bowen's machine as evidence that the latter was just inside the rail when hit.

**ATTEMPT IS MADE TO KILL GOVERNOR**

(International News Service.)  
LONDON, Feb. 25.—Two of Germany's foremost army officers, Gen. Von Gallwitz and Gen. Von Boehm, are reported to be directing the Russian-soviet army in its offensive against Roumania, according to a Budapest dispatch today. Both the generals are said to be on the list of war criminals which the allies sent to Berlin.

Severe fighting between Russian and Roumanian patrols is reported to be taking place in Bessarabia. The Hungarians are becoming alarmed and are asking the entente to put an army in the field. Czechoslovakia and the Serbs are mobilizing additional classes and reinforcing all frontier guards.

**JOBS OPEN FOR EX-SERVICE MEN**  
Government jobs for honorably discharged soldiers and sailors as stenographers and typists are ready for all those who are willing to work in Washington, D. C., according to an announcement made today by Lieutenant Colonel Mathew C. Smith, of the Office of the Assistant to the Secretary of War.

This is the United States Civil Service Commission's answer to the complaint so often heard during the demobilization of the Army, that civilians and women filled the clerical places in Washington which should be given to returned fighting men. Ex-service men now have preference on all the lists, under the law.

### SCHEDULE CHANGE EFFECTIVE MAR. 1

The change in schedules of the Southern and Louisville and Nashville permitting the afternoon trains to meet here will be effective March 1, according to notice received at the Decatur union station. The Louisville and Nashville train, formerly arriving here at 3:18 will arrive at 3:08 and the Southern will not depart until 3:08.

### CRANE IS NAMED CHINESE ENVOY

(International News Service.)  
WASHINGTON, Feb. 25.—For the second time in his life Charles L. Crane, Chicago millionaire and globe trotter, has been named as United States envoy to China. He got the appointment this time from President Wilson. Mr. Crane was first named as envoy by President Taft, but talked too much on his way across and was recalled.

### McAdoo's Name To Be Off Ballot

ST. LOUIS, Feb. 25.—Wm. G. McAdoo will ask that his name be stricken from the Georgia presidential primary ballot.  
The former secretary of the treasury, here on business, made this assertion this morning. He, however, reiterated that he would regard it his duty to accept the nomination if it came to him unsolicited.

### BAPTISTS CALL OF 5TH SUNDAY MEET

The Baptist fifth Sunday meeting which was to have been held at Bethel church, near Hartselle, on Friday, Saturday and Sunday, has been called off on account of the prevalence of influenza in the Bethel community, it was announced today by Rev. R. F. Stuckey, who was in charge of the arrangements. The meeting was to have been of county-wide scope, and a large attendance had been expected.

### OIL STOCK BUYING IS GAMBLE PURELY, J. A. THORNHILL SAYS

Local Realty Dealer Issues Warning Regarding Purchase of Shares in Companies.

**NEW YORK BAND BIDS TO PLAY AT ALBANY AUTO SHOW**  
That the fame of the local auto show has spread to the four corners of the earth was shown again today when a letter addressed to the managing director of the Albany automobile show was turned over to B. L. Malone. It proved to be from a big New York band, and the musical organization wanted to come here and play during the show. Mr. Malone took the matter under advisement.

"If you haven't the money to lose, don't get into the oil business" is the advice given by J. A. Thornhill, local realty dealer, who has extensive holdings in a number of oil companies.  
"It is a gamble, pure and simple," he declared.  
He made the following statement today:  
"Being called by a prominent lady of Decatur this morning to come to her residence that she had a business matter that she would like to discuss with me, and after going there I learned that she was the owner of \$500.00 worth of oil stock sold to her some three months ago; and having been misled personally, and having investments in 25 oil companies, and for the benefit of my local friends and your readers, I am sure that you will allow me space for a small discussion of the oil business."

### LEGION POST WILL MEET THURSDAY

Additional details of the Morgan County Post of the American Legion's plan for a permanent home and several other important questions will be discussed at the regular meeting of the post to be held Thursday night. In accordance with the decision of the post at its last meeting to accept the invitation of the Albany Chamber of Commerce to meet there permanently until a home is obtained, the meeting Thursday night will be held in the chamber's rooms in the Colonial building.

During the past week a check was forwarded to state headquarters to pay the state and national dues for nearly one hundred new members who have been obtained by the local post in the past 60 days. Another membership drive is planned to be staged before the state convention which will be held early this summer in Anniston.

### MORGAN WINNER OVER NASHVILLE

HARTSELLE, Feb. 25 (Special).—The Morgan County High School defeated the quintet from Nashville Central High here Tuesday by a score of 29 to 12. The Nashville team is the undisputed champions of Tennessee, having won 15 straight victories in that state this season, defeating such teams as Castle Heights, Peabody College, College of the Holy Cross, Tennessee Military Institute.

The victory speaks well for the Hartselle boys who have not lost a game this season in basketball. The coach of the Nashville team said the M. C. H. S. had the best and fastest team they had met this season. The expert coaching and trick plays of Nashville went to pieces against the close guarding, excellent passwork and accurate goal shooting of Hartselle.

For the M. C. H. S. Burleson did good work as forward, shooting 12 points in field goals—as much as the entire score of Nashville. Orr at center and Britnell at forward did excellent work also.

The foul shooting of Britnell was almost perfect. The guarding of Rountree and Thompson was all that could be asked. Not once was the local victory in doubt, and the enormous crowd went wild as the many spectacular plays were made.

For the Nashville team Embrey at center was by far the best man scoring eight out of twelve points. The Nashville team after spending the night in Hartselle left for Birmingham Wednesday morning where they play Central High of Birmingham. The line up:

M. C. H. S.	Nashville
Burleson	Forward
Britnell	Forward
Orr	Center
Thompson	Guard
Rountree	Guard
Referee:	F. E. Burleson.
Time of game:	50 minutes.
Sub for Nashville—Boone, Knight, Sutton.	

### HARTSELLE PEOPLE BEGIN MOVEMENT GET COURTHOUSE, CALL ON GOVERNOR

Conference is Held With Kilby as First Step in the Campaign.

**ROAD AMENDMENT IS FACTOR IN THE FIGHT**

Citizens Here Confident That Proposition Won't Be Ratified by People.

An active and organized effort to move the Morgan County courthouse from Decatur to Hartselle has been launched by residents of Hartselle and this week a delegation called upon Governor Kilby to solicit his aid, it became known here today.

The result of the conference with Governor Kilby is not known here, but it is believed that the only way by which the removal could be affected would be by majority vote of the qualified electors of the county.

It is understood the passage of the new \$25,000,000 bond issue, providing for the connection of all county sites in the state, is one of the principal factors in the renewal of the fight to move the courthouse from here.

Despite the efforts being made, citizens here were of the belief that advocates of the Hartselle site could not muster sufficient strength to put the proposition over. They point that Albany and Decatur will poll more than 1200 votes following the March registration, which is almost one half of the total ballots cast in Morgan county. The Twin Cities would be supported by a large number of the rural precincts.

Removal of the courthouse to Hartselle would be a great asset to that city. It would cause the removal there of nearly all of the principal county officials, a number of attorneys and other court attendants and would give Hartselle highway communication with practically all of the state and direct routes through all section of the South and East.

It is said that a petition, signed by a majority of the qualified voters of the county, would be necessary in order to call an election on the removal. So far as known, no petitions are being circulated.

### JOSEPH KUHN DIES, ILL SHORT TIME

Joseph Karl Kuhn passed away Tuesday afternoon at 4:45 o'clock at his home here after an illness of five days. His death was a shock to his many friends.

Had Mr. Kuhn lived until next month, March 27th, he would have been 75 years of age. He was a machinist at the Louisville and Nashville shops.

The remains were taken to Chattanooga, Tenn. this afternoon and the services will be conducted from Peter and Pauls Catholic church Thursday morning.

Mr. Kuhn is survived by one brother and two daughters, Mrs. Sim F. Otte and Mrs. Carl E. Swanson.

### Simpson Is Named Jury Commissioner

J. M. Simpson, of Hartselle, has been appointed jury commissioner, according to official notice received by Probate Troup from the office of Governor Kilby.  
Mr. Simpson's term will expire in January, 1923.

### SOVIET OVERTURES TO RULING POWERS

A not unexpected development of the week was the open attempt made by the soviet government of Russia to negotiate a peace with the allies and Germany and to secure recognition which would place the lone Bolshevik nation of the world on an equal footing with the great powers. Such a move was prompted not only by the successes of the red troops, which have swept Admiral Kolchak and the remnant of his white army into oblivion, but also by a recognition that now is the psychological moment to inspire bidding between the allies and defeated Germany for the Russian trade. And after all, it is commercial supremacy that incites most wars and that is the biggest factor in writing the terms of peace.

Failure of the allies to enforce the peace treaty in a number of essentials, notably in regard to the trial of German war criminals, has no doubt emboldened Herr Noske and his underlings to further impertinences. It has done more than that—it has given the German republic a place of importance in world affairs and has put it in position where it can again seriously threaten the domination of Europe by a coalition with Russia. Lenin and Trotsky have reached the conclusion that to forestall their ancient enemy, the entente will grant privileges and favors which a few months ago would have been denied. The line of argument, it must be admitted, is a shrewd one.

Soviet wiles, however, have not served to melt the heart of Premier Millerand, of France, who is a worthy successor to the tiger Clemenceau. He looks upon the new menace of Bolshevism as one that must be dealt with sternly, and has the backing of Lloyd George, of England, the dominant figure at the council of premiers. Nitti, of Italy, alone has consented to yield and to welcome the red Russia back into the fold of nations.

Sovietism is waging a new and strange propaganda in the hope of accomplishing its designs. It is trying to make it appear that the Moscow government represents the democracy of Russia, and so well has this idea been accepted in Paris that some of the newspapers are predicting that within a year the soap box statesmen of Russia will be promenading as welcome guests upon the boulevards of the metropolis. Stranger dreams have come true, but it would be a reflection upon the civilization of the world should the allies grant recognition to a form of communism that sanctions the nationalizing of women, that practices sabotage as a holy creed and that respects nothing but brute force.

### HOOVER'S POSITION ON THE PEACE PACT

If Herbert Hoover was correctly quoted in his recent address he does not see the peace treaty through the same eyes as President Wilson, for he is reported to have come out strongly for immediate ratification and for the acceptance of reservations. His position is more in line with that of William Jennings Bryan, who also puts expediency above other considerations. And the reason given for Hoover's new viewpoint is pretty much the same as that which Mr. Bryan gave, for Hoover says that the treaty must be gotten out of the way so that other pressing domestic issues may have the brightest places in the sun.

What are these live issues? That is the question which Mr. Hoover must answer. He must also explain just why he considers them paramount. Does he consider the future peace of the world, the claims of humanity, the right of democracy to live as trivial matters. And yet he must know that if the United States accepts the dictation of the "bitter-enders," that Europe will revert to its former position and that the "balance of power" will again rule, and force will be made supreme over right. The cries of the Armenians will ring every year in the ears of Christendom. The voice of the oppressed will be raised in pitiable lament. The old order of things will be restored, and America will stand confronted with innumerable wars, for there will be no guarantee of international stability.

Perhaps, after all, Mr. Hoover is merely a cunning politician, one willing to sacrifice all else on the altar of his personal ambitions. It is hard to think him so, hard to believe that

he has become a mere time server and is of no finer calibre than the score of other little men who have made a like bid for the presidency.

### Troops to Keep Peace at Trial

MONTE SANO, Wash., Feb. 25.—Orders have been issued for the movement of government troops here to preserve order during the remainder of the Centralia murder trials. This was done because of the increasing number of I. W. W. and other radicals who are assembling here. At the same time hope of the early resumption of the murder trials is being discouraged by the "flu" epidemic.

## JUST IN PASSING

## A LITTLE STORY ON A BIG MAN

"Several years ago, J. A. Forman, then sheriff of Morgan and one of the biggest men who ever held that office in a county in America, and myself were waiting for liquor runners at an obscure point up the river," said Sheriff J. V. May. "Finally the boat appeared, then a wagon came into view up the road and several men began the task of transferring the liquor from the boat to the wagon. We flushed them, but in the confusion two of the men got away and the

horse ran away with the wagon. The sheriff told me to stay and watch the prisoners we had and he would chase down the wagon. In the meantime we had caught one of the men and the sheriff started off down the road after the wagon. He caught it after a warm chase. The escaped defendant didn't recognize the big sheriff in the darkness and thinking it was his pal whispered: 'how did you get away.' The sheriff's form arose out of the darkness and he shouted: 'what!' The man didn't wait for another word and later after he had been caught he told the liquor from the boat to the wagon. We flushed them, but in the confusion two of the men got away and the

sheriff, he said."

## SOME LIQUOR TOWN

"I was much interested in the news dispatcher telling of the alleged 'liquor revolt' in the Michigan upper peninsula," said C. H. Betts. "I have traveled through that country, and concede that the little town of Hurley has a world's record for the number of saloons—or did when I was here. There were 64 of the grog shops and only 6 other business houses. The saloons were six in a row, then an alley, and then six more."

## RESPECTS THE "FLU"

"I now have the highest respect for the 'flu,'" said Solicitor D. C. Almon, who has just recovered from an attack of the prevalent malady. "It is one of the most trying diseases I ever experienced. During my illness the only drink I craved was lemonade and the only thing I wanted to eat was turnip salad. I called up my friend George Russell and asked him to bring me in a mess of salad, which he did, and it certainly was fine."

## "NEWS" CHANGES FORM

The Decatur Weekly News this week appears in magazine form, and Editor Ballou announces that the change is for keeps. In announcing the departure from the beaten, the News says: "Our idea in running a newspaper is to have something different from the other fellow. So far as we know, there is not another paper in the south printed in the style of the News."

## DEAN PRAISED

"I feel sure of the big wagon bridge," said A. T. Shropshire, formerly of near Rome, Ga., but now an employe of the Louisville and Nashville shops, "since I know that Col. Dean of Rome, Ga., is back of it. In Rome they have a way of doing as Col. Dean says. Some years ago the city came very near losing the Shorter College, on account of financial considerations offered it elsewhere. Col. Dean got behind the movement to hold the college for Rome and he did it. In five days he is credited with having raised \$500,000 for the college. He also was the prime mover in building a number of large bridges around Rome," concluded Mr.

Shropshire.

## GREATLY ENCOURAGED

"I feel greatly encouraged for the success of the Near East campaign," said E. C. Payne, the county chairman. "The particular donation I now have in mind is the \$10 gift of Fred Steiber, a well known employee of the Louisville and Nashville shops. Fred is known for knowing what a good thing is, and I believe as the campaign appeals to him, it will also appeal to a lot of other people before it closes."

## Parrot Stole Diamond.

Parrots are interesting things. But one man down on Long Island has decided that his old polly has too many asking ways to be really practical. A few days ago he discovered the loss of his diamond scarf pin and was ready to place the matter in the hands of the police when he heard polly banging it against the bars of her cage. He remembered of the bird strutting about on his chest when he was reposing on the couch in his living room a short time before and it was at this time that he was relieved of his valuable pin.

## What Your Neighbors Say

Helma, Ala.:—"I can highly recommend Dr. Pierce's Favorite Prescription to any woman who suffers at certain times. I was ailing considerably and I was just miserable all the time until I took 'Favorite Prescription.' The druggist recommended this medicine to me and I received so much comfort and relief from the first bottle that I knew it was the right medicine for my ailment and kept on with it until satisfied that I was cured."—Mrs. ZORA HATCHER, 1927 Voeglin Ave.

Birmingham, Ala.:—"When I was seventeen years of age I had suppression for several months and my blood became so impoverished that I broke out with boils all over my body. My mother gave me Dr. Pierce's Favorite Prescription and it was this medicine that promoted regularity and restored me to health. All of the boils healed up and I became strong and well. Since I have married I still take an occasional bottle of 'Favorite Prescription' to keep me in a good healthy condition. As a tonic and nerve for women who have become weak, nervous and run-down, I consider Dr. Pierce's Favorite Prescription absolutely perfect and I recommend it most highly for young girls and women."—Mrs. FRANK BRADY, 3919 Avenue C.

## ENJOYS HIS 3 MEALS A DAY

Mr. Woolen Thinks Much of ZIRON Because It Made Him His Old Self Again.

Sick people do not get much out of life. In order to enjoy your meals, to do your work well, you must be strong and healthy.

Pale, weak, nervous people frequently need iron to enrich their blood and to restore vitality to their system, and a good way to supply the iron is to follow the example of Mr. Clayton Woolen, of Scotland, Ga., who used Ziron Iron Tonic and has this to say about it:

"I have taken Ziron according to directions and I can truthfully say that it is a fine tonic. It has done me all the good. Since I began taking it, I have gained eight pounds in weight and enjoy eating three meals a day. I shall do all I can to recommend Ziron."

Try Ziron! Your druggist sells Ziron on a guarantee to refund your money if the first bottle fails to benefit. You cannot lose anything, but very likely will gain much, by getting a bottle of Ziron, today!

## BETTER THAN WHISKEY FOR COLDS AND FLU

New Elixir, Called Aspironal, Medicated With Latest Scientific Remedies, Used and Endorsed by European and American Army Surgeons to Cut Short a Cold and Prevent Complications.

Every Druggist in U. S. Instructed to Refund Price While You Wait at Counter If Relief Does Not Come Within Two Minutes.

Delightful Taste, Immediate Relief, Quick Warm-Up.

The sensation of the year in the drug trade is Aspironal, the two-minute cold and cough reliever, authoritatively guaranteed by the laboratories; tested, approved and most enthusiastically endorsed by the highest authorities, and proclaimed by the common people as ten times as quick and effective as whiskey, rock and rye, or any other cold and cough remedy they have ever tried.

All drug stores are now supplied with the wonderful new elixir, so all you have to do to get rid of that cold is to step into the nearest drug store, hand the clerk half a dollar for a bottle of Aspironal and tell him to serve you two teaspoonfuls with four teaspoonfuls of water in a glass. With your watch in your hand, take the drink at one swallow and call for your money back in two minutes if you cannot feel your cold fading away like a dream within the time limit. Don't be bashful, for all druggists invite you and expect you to try it. Everybody's doing it.

When your cold or cough is relieved, take the remainder of the bottle home to your wife and babies, for Aspironal is by far the safest and most effective, the easiest to take and the most agreeable cold and cough remedy for infants and children.—Adv.

### NATIONAL WEEK OF SONG

In celebration of the National Week of Song, the choirs of the churches of the Twin Cities gave extra programs on Sunday. The ministers were interested and explained the movement of using the social and very interesting way of assimilating foreigners, not foreigner in the sense of race, but your neighbor, who perhaps through some misunderstanding is not fully assimilated. On Monday evening a delightful musical event was given at the Y. M. C. A., under the direction of Secretary Nolleau, and Mr. Henry as song leader, local musicians are entering into the movement with enthusiasm.

### COLONIAL PARTY GIVEN BY BIRTHDAY GROUPS OF WESTMINSTER CHURCH

The Birthday groups one, two and three of Westminster church, gave a colonial party last evening at the residence of Mr. and Mrs. E. C. Payne. A success socially and financially. Everyone had the time of their lives. One program feature was the Minuet, danced by children. The execution of the graceful dance brought to mind these lines by Harold Flammer: "List to the music in slow, stately measure,

So come, and dance, all dance, Ah! See the lords and the ladies, Now they advance, all partners saluting, archery they glance, Behold their fine array, 'What dazzling bright display,' now circling

Sedately the ythread the slow measure In costume so dainty and gay. The tapers shed their ruddy glow Upon the scene below.

In silks from head to toe, Through all the dainty steps they go, Powdered wigs on comely maids, And farthingales and laces. Satins, silks and gay brocades enhance their charming faces. Hands held on high, Lowly bending, Ah, See the lords with their stately brides, See their swords dangling by their sides.

Each a scabbard hides, They prepare for the dance." The refreshments were in keeping with the whole affair, coffee, marble cake and seed cake. The Claxtons were pleasantly recalled when seed cake was munched.

### MUSICAL HISTORY CLASS

The class in Musical History taught by Mrs. Higdon was entertained Saturday afternoon with a "Geo Washington Party" by Miss Phyllis Perkins, the decorations of the music room were in keeping with the day and brought to mind many little stories of Washington's youth. A program of much excellence was given, consisting of Piano and Violin numbers, also songs and dances that were popular during the Colonial period. The following members taking part: Nannie B. and Norma Chandler, Julia and Lottie Lovin, Helen and Sara Prosser, Phyllis Perkins, Dorothy Buttrey, Francis Blackwell, Emily Lisle, Clarice Lee, Alice Williams, Laverne Stroup, Edith Woodward, Lois Walsh, Roberta Winton. At the conclusion of the program, delicious refreshments were served, an interesting feature being the use of China and Silverware that was used by the young hostess' great, great grandmother during the Colonial period. The next meeting of this enthusiastic group of young musicians will be with Misses Nannie B. and Norma Chandler.

## "DRECO HAS DONE THE WORK", SAYS GADSDEN WOMAN

Declares He is Relieved of Bad Stomach Trouble, Constipation and Weak Kidneys.

Dreco, the new herb medicine, has been reported to accomplish so much good that it is often called "The Miracle Medicine" by grateful men and women who have used it. Its power to wipe pain and sickness from the human system seems, in many cases, to justify its name. It is acknowledged one of the safest and quickest general system reconstructants known to the medical profession today, and its greatest good is perhaps accomplished in those cases of stomach disorder that affect other parts of the body.

There is no telling what a deranged stomach will bring on. Constipation, kidney disorders, liver trouble, ear-arrh, nervousness—yes, and even rheumatism has often been traced directly to disordered stomach.

"I suffered with a bad stomach for three years," declared Mrs. Myrtle Browning of 720 Vine street, Gadsden, Ala.

"I had a lump in my stomach and an awful soreness all the time. I spent lots of money and took about all the medicines recommended for stomach trouble, and got no results from any of them. Things went from bad to worse, and soon I was greatly troubled with constipation and biliousness, then came headaches and kidney troubles and I began to lose flesh at an alarming rate.

"I saw in the newspapers how this new medicine Dreco was accomplishing such miraculous results in cases that looked even more hopeless than mine, and decided that here was the medicine I needed. So I gave it a trial, and believe me, I am glad I did because Dreco has done the work.

"I am well satisfied that Dreco stands way above any common patent medicine and I think I ought to know."

Dreco is now stocked by almost all well stocked drug stores and pharmacy shops in this section. It is particularly recommended in Albany by Albany Drug Co. and in Decatur by Hilda Drug Co.—Advertisement.

## What Are You Going to Do About Your Catarrh?

Improper Treatment Leads to a Serious Stage.

Because you have doubtless been fairly comfortable through the mild summer months, and free from the soreness and irritation of the membranes, do not make the mistake of thinking that you are rid of your Catarrh. For if you suffered with this disease last winter, it will again be with you in all its severity unless you have eliminated entirely from the blood the germs which cause the disease.

Are you going to further temporize with a disease that leads to such a serious condition? Don't you know that you can use gallons upon gallons of local treatment without the slightest permanent benefit? Just give the matter a little careful thought, and you will realize that it is but a waste of time and money, besides seriously jeopardizing your health, to continue a method of treatment that has proven of so little value in making any real progress toward genuine benefit.

First of all find out just what causes your Catarrh. If it was merely a local irritation and inflammation of the delicate linings of the nose, throat and air passages, then you might reasonably

expect to be cured by the use of local remedies. But have you ever known of one single person to be freed from the slavery of Catarrh by any kind of local treatment?

Why? Simply because they have overlooked the cause of these symptoms, and hence the treatment has been misdirected. Remove the cause of the clogged up accumulations that choke up your air passages, and they will naturally disappear for good. But no matter how many local applications you use to temporarily clear them away, they promptly re-appear and will continue to do so, until their cause is removed.

But if you will take a treatment that goes right down to the very source of the disease and attacks it at its starting point, then you are on the right track, and can expect results. S. S. S., the fine old fifty-year old blood remedy is an antidote to the millions of tiny Catarrh germs with which your blood is infested. Don't waste further time by continuing a treatment that can make no progress toward permanent relief, but begin to take S. S. S. today, and you will receive the same benefit that others have. S. S. S. is sold by all drug stores. Write us for free medical advice about your own case. Address Chief Medical Adviser, 17 Swift Laboratory, Atlanta, Ga.

## Hutson Speaks In Behalf Armenia

Hon. Melvin Hutson delivered an eloquent address at the L. & N. shop gates yesterday at noon in behalf of the Armenian sufferers.

After introductory remarks by W. H. Wilson, shops chairman of the Near East relief committee, Mr. Hutson told the hearers that according to historians the Armenian race was the oldest known. Said the speaker: "Armenia is believed by some writers as the land in which the original garden of Eden was located. And if this be the case, the soil of this ancient country went into the making of the first mortal man as he was fashioned by the hand of Omnipotence."

"Armenia is also the oldest Christian country on earth," declared the speaker. "To those now severely tried people was first committed the teaching and propagation of the religion of Christ."

It was shown that Armenia, the youngest Christian nation, owed a deep debt of gratitude for the heroic past services of Armenia, the oldest Christian nation. The speaker brought out the fact that a large percentage of the most talented and highly educated people of this country were either from Armenia or were descendants of people who originally lived in that country.

## INFLUENZA AND WEAK BLOOD

Run Down and Listless Condition May Make You a Target For the "Flu"

Because Blood is Probably Thin

AT THIS TIME OF DANGER, TAKE PEPTO-MANGAN—IT BUILDS RICH, RED BLOOD.

No matter how well you usually are, if temporarily you're run down, you're a target for the influenza.

Contagion always gets listless people first. Whether they realize it or not, their blood is thin and undernourished—in no condition to fight off the germs it meets everywhere.

It is a wise precaution to take a good tonic at this time of danger—some well-known builder of red, vigorous blood, like Pepto-Mangan.

And if you did not think of this in time—if you are now recovering from a fight with influenza—your blood will need help for weeks after you think the danger is past.

Take no unnecessary chances. Get Pepto-Mangan and start taking it today. Pepto-Mangan is an effective blood builder that has had the endorsement of physicians for years.

Pepto-Mangan is sold by druggists in either liquid or tablet form, just as preferred. There is no difference in medicinal value. But be sure you get the genuine Pepto-Mangan. Ask for Gude's Pepto-Mangan and be sure the name is on the package.—(Advertisement.)

## The World's Largest Tire Factory Building 30x3, 30x3½ and 31x4-inch Tires

Owners of small cars can enjoy the same high relative value in Goodyear Tires that gives utmost satisfaction to owners of big, costly motor carriages.

They can take advantage of that tremendous amount of equipment, skill and care employed by Goodyear to build tires of extraordinary worth in the 30x3, 30x3½, and 31x4-inch sizes.

They can secure these tires without waiting, despite the enormous demand, because, in addition to its larger sizes, Goodyear builds an average of 20,000 a day in the world's largest tire factory devoted to the three sizes mentioned.

If you own a Ford, Chevrolet, Dort, Maxwell, or any other car using one of these sizes, go to the nearest Goodyear Service Station Dealer for Goodyear Tires and Goodyear Heavy Tourist Tubes.

## Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

The Woman's Tonic

She writes further: "I am in splendid health . . . can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

**To Make Potato Flour.**  
Arrangements have been made in Great Britain for the establishment of mills for the production of potato flour, which it is hoped will be on a large scale. Although this industry has been established on the continent for several years it is a new one in Great Britain. The British ministry of foods has for some time been conducting experiments in potato flour, as there has been an overproduction of potatoes, and the flour will provide a means for the consumption of the over-supply.

### Amusements

"Woman" Is the Unique Film Production of the Year—Tournier Offers as Different Than It Absolutely Defies Classification.

"Woman," Maurice Tournier's feminine epic which comes to the Masonic theatre on Wednesday and Thursday, stands in at least one respect as the most remarkable film offering of the year. "Woman" is different, indeed, so different that it completely defies classification.

No single descriptive name can be

given "Woman." The beautiful Tournier production does not fall into any one class. It is not a melodrama. Rather it is a study in womanhood of remarkable psychological depth. While it has plenty of physical action, its keynote is mental. Neither is "Woman" a spectacle. It is intimate and personal, the five episodes, with the prologue and epilogue, telling the direct story of six women and six men. Sometimes hundreds of supernumeraries appear, as in the ancient Roman interlude, but their appearances serve only as a background. Director Tournier has centered his interest in each episode upon one single woman.

### HUMAN TOUCHES

IN "THE CLAW"

Clara Kimball Young comes to the Star theatre today in her latest Select Picture, adapted for the screen by Charles E. Whittaker from Cynthia Stockley's famous novel of British South Africa, and directed by Robert S. Vignola. Mr. Vignola is ever on the lookout for bits of interest in the story which he can incorporate into the film; these human touches reveal a deep study and thorough understanding of human nature and invariably please photoplay audiences. (Continued on one of the secrets of this director's success.)

**THE LOTTERY MAN AT PRINCESS THEATRE TODAY**

New Paramount-Artcraft Screen Version of Broadway Stage Success.

Wallace Reid's latest star ring vehicle is "The Lottery Man," a Paramount-Artcraft picture, which is coming to the Princess theatre today. It is a picture of Rida Johnson Young's play of the same name. Originally produced at the Bijou theatre, New York, in 1910, with Cyril Scott in the stellar role, the comedy secured an emphatic hit and later followed its long sojourn on Broadway by an extended road tour with several companies. It was hailed in all sections of the country as the most entertaining farce of the day. All its breeziness and fun-making qualities are said to have been retained in the screen version, and Wallace Reid, in the role of the chance-taking hero, gives a spirited performance. The story concerns a young man who, to pay a debt, impulsively starts a lottery with himself offered as prize to the woman holding the lucky coupon. Wanda Hawley and Harrison Ford are included in the cast.

**THE MINSTREL MANAGER'S STRENUOUS LIFE**

Vogel, he of the large "Big City Minstrels" who leads the genuinely strenuous life and tours the country for forty-five unremitting weeks on a continuous stretch. Theatres groan over a few one night stands during the season, but your Vogel in minstrelsy is ever on the move, and knoweth with his fifty performers and prodigious preliminary expenditures and running expenses

## Perfection Mattress

The life of the average mattress, costing about the same as a "Made in Birmingham" Perfection, is approximately three years. And during most of that time it will be lumpy and will sag in spots—the longer it's used the worse it will get.

But a genuine (guaranteed) Perfection Mattress will last for years and years. Some have been in use for 20 and 25 years and are yet in good condition and as comfortable as the first night they were slept on. Which shows that "Made in Birmingham" Perfection Mattresses are more economical as well as being most comfortable.

That is because Perfection Mattresses are made of the finest materials obtainable, by expert workmen, in a sanitary, sun-lit factory. Every Perfection Mattress has a reputation of 30 years fair dealing to back up the guarantee that goes with it. When you buy a Perfection you make an investment in solid comfort and secure the complete and lasting satisfaction which has made "Perfection" the buy-word for mattresses among folks who look beyond mere price and demand utmost quality and serviceability.

## Every Bottle Sterilized

Every Chero-Cola bottle is thoroughly sterilized before being refilled.

The empty bottles are soaked in a boiling hot solution of caustic-of-soda, destroying every germ or trace of dust. They are then thoroughly scrubbed, inside and outside, the operation being repeated again and again.

The Chero-Cola bottle then is rinsed with a combination of compressed air and filtered water, forced in and out under high pressure.

Every precaution is taken to make its contents reach you both wholesome and delightful.

This is ONE reason for Chero-Cola's remarkable popularity.
